### Codes of Practice

- If your child is ill, please call Out of School Clubs by 8am on the day or notify us in advance where possible.

- Out of School Clubs must be informed of any person collecting your child who differs from those named on the Registration form.
- A password must be held on file for each child which can be asked for from anyone collecting the children, but especially someone who either does not usually collect or is not named on the registration form.
- If you do not inform us of someone else collecting your child, you will be contacted before we allow this person to collect your child. If we are unable to contact you, we will not allow your child to leave with this person.
- We would ask for a notice period of half a term when reducing days or terminating your place with ourselves. Thereafter half a term's notice must be given **in writing** to terminate a place or reduce days at Out of School Clubs. For example, place ending 31<sup>st</sup> December, notice to be given by October half term. Place ending Easter, notice to be given by February half term. Your notice period remains chargeable.
