February 24th 2016

Dear Parents,

KS1 Computer Acceptable Use Form

Please find enclosed two copies of the Pupil Acceptable Use form.

This details what is expected from your child in terms of:

- using the school computer network
- internet
- keeping safe

The 'How To Use The CEOP button' (Child Exploitation and Online Protection Centre) will be covered at school. This is a way to contact the Centre if anything untoward is discovered via the internet.

Please access their site for a full update:

<http://www.ceop.police.uk/>

Please read through and explain to your child what you are signing on their behalf.

Keep one copy for your records, then on the other, complete the name of your child, sign on their behalf, date and return to school as soon as possible.

Yours sincerely,

Mr. M.V. Keen/Mrs. H. Foster
(IT Coordinators)
