Dear Parents,

KS2 Computer Acceptable Use Form

Please find enclosed two copies of the Pupil Acceptable Use form.

This details what is expected from your child in terms of:

- using the school computer network
- internet
- keeping safe

The 'How To Use The CEOP button' (Child Exploitation and Online Protection Centre) will be covered at school. This is a way to contact the Centre if anything untoward is discovered via the internet.

Please access their site for a full update:

<http://www.ceop.police.uk/>

Would you please keep one for your records.

For the other, complete the name of your child, your child must then sign where indicates, then you countersign where indicated, date and return to school as soon as possible.

Yours sincerely,

Mr. M.V. Keen/Mrs. H. Foster
(IT Coordinators)
