

Phase: Reception

Focus: People Who Help Us

Term: Summer 1

What I should already know?

People have lots of different jobs and I can show some interest in different occupations. I know the roles of some people who can help me e.g. police, firefighter. I can recognise their vehicles or uniforms.

Magic Questions!

Which people have jobs that help us?

Which people have helped you in the past? Who can you ask if you need support with something?

Look at a person's uniform— what job do they do? Why is their job important in our community?

What job would you like to do when you are older? Why?

Key words and their meanings

Help/ Support	To make it easier for someone to do something.
Provide	To give something to somebody.
Healthy	Not likely to become ill/sick.
Brave	Doing things that are difficult or dangerous (not afraid).
Courage	Not showing fear when something is dangerous/scary.
Assistance	Help or support.
Community	All the people who live in a particular area.
Emergency	A sudden serious or dangerous event which needs immediate action to deal with it.

By the end of the unit I should ...

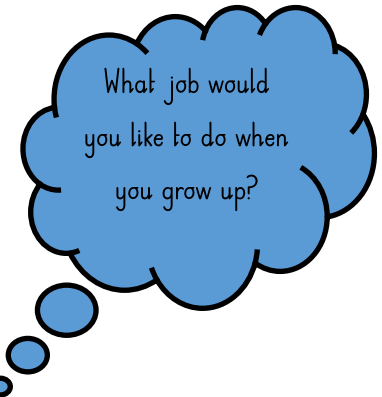

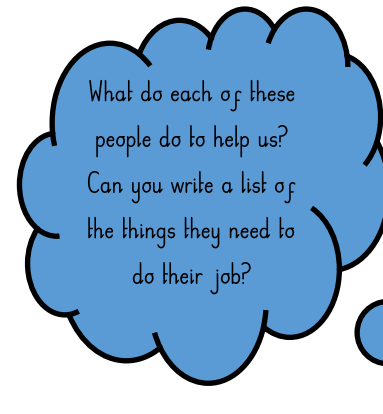

- Know that people do different jobs in our community and show an interest in them.
- Understand and talk about what these jobs involve and how they are similar/ different.
- Be able to name the people who help us at home and school. E.g.. The teacher, the lollipop person, the doctor.
- Know who helps keep us safe, healthy and provides food.
- Understand and explain how to cross the road safely.
- Talk about past and present events in my life and experiences of friends and/or family. E.g. when I went to the doctors... My auntie called the fire service...

This half term we will be learning all about people who help us.

For this topic, we will be learning about many different people who help us in our community. and how each of these roles help us.

How can you support my learning;

- Read stories and information books about different people who help us
- Talk to friends or relatives if they are one of these people
- During the holidays if you see any emergency services (or other people who help us) can you please discuss these with your children? Maybe you could take a photograph and send it on dojo for us to discuss when we return!

Key People		
 fire fighter	 dentist	 police officer
 doctor	 nurse	 paramedic
 teacher	 vet	 lollipop person
 caretaker	 life guard	 mountain rescuer
